Dear Colonel Knight,

I would like to take this opportunity to personally thank you and your troopers for assisting with the services for Gadsden County Reserve Deputy Lisha Daniels Davis. Your troopers providing coverage of the county and other duties for the service meant so much to me as well as the Daniels-Davis family that words cannot express our gratitude.

I on behalf of the Gadsden County Sheriff's Office and the Daniels-Davis family again express my sincere appreciation for all you and your staff efforts on behalf of Deputy Daniels-Davis Memorial.

If I can ever be of any assistance to you and your agency please let me know.

Sincerely,

Mayor Daniel Morrison
